A photograph of a diverse group of young people, including men and women of various ethnicities, smiling and interacting in what appears to be a meeting or collaborative work environment. They are gathered around a table, with some looking at a laptop screen. The background is bright and modern.

**You are an international student from
Pakistan? Discuss the needs and the
options for start-ups in both countries!**

SPEAKER

**Saima Mujtaba Rana, Head of Operations,
National Incubation Center at LUMS, Lahore**

**Stefanie Valcic-Manstein, Head of Program
FITT gGmbH, Saarbrücken**

International students from Pakistan – comparison of Pakistani and German start-up incubator programs:

AGENDA

1. Saima Rana, Head of Operations, National Incubation Center, Lahore:

How we champion high potential, tech-enabled solutions to bring real-time impact to Pakistan's most important areas of development. Let's discover the next generation of problem solvers in Pakistan, creating impact through innovation:

Challenges – Solutions – Networks - Financial inclusion

2. Stefanie Valcic-Manstein, FITT gGmbH, Head of Program

Lots of newcomers, refugees & international students have arrived in Germany. Many of them have the skills, the passion and the resilience to be successful entrepreneurs. How we can support them, even if they face special challenges when they want to launch a new business: **Programs and Best practices**

3. Discussion with students and guests

Universität des Saarlandes
Starterzentrum, Geb. A1 1, Campus
66123 Saarbrücken

We look forward to seeing you there!
